

### The Stonehaven Medical BAL2000 Pacific 6 Section Hi-Lo Treatment Table

is designed with 3 actuators or motors for complete control of cushion articulation, as well as table height adjustment. Ease of operation with Under Cushion Finger Touch Controls and 2 Elevating Bars for Table height adjustment, the Stonehaven BAL2000 Pacific 6 Section is the most effortless free operative Treatment Table available. The Head and Back section adjust from -28 to 80 degrees and the center section from 0-20 degrees. The arm Rests, 2, adjust outward as well as up and down for patient comfort. Constructed of heavy-duty steel frame with lifting capacity of 500 lbs. Cushions are 2" foam and choice of 6 attractive upholstery colors. The Head Section includes Breathing hole and plug. Dual Foot operative Casters, 4, are a standard feature.
